

Welcome to Hiawatha!

I am so glad that you are a new student at our school!

I know it can be scary to move to a new place, with new teachers, friends, and classrooms. I am here to help. I am your school counselor.

A school counselor is there to help when you feel scared, sad, mad, or confused. I am somebody you can trust. I want to make school a place you want to be, a place where you can learn and grow.

If you ever need someone to talk to, just ask your teacher. I would be happy to help you!

Mrs. Rex
