How to Organize Your Students:

Separate students into groups. The number you need in each group is written below.

Groups (room students will go to):  Students in the group:

#14 Ulery

#12 Boudouris

#3 D3: How I divided up students (# of 1st graders, 2nd graders, etc.)

#5 Gladieux

In the teacher packet, they just have the number of students they need in each room. They write student names on the lines.

* Please have "lunch buckets" or baskets in the hallway outside the cafeteria—on the 2nd grade classroom side.

* Students who are peanut free can take their lunches with them, so they stay separate.
